

TORWOODLEE GOLF CLUB **BUGGY HEALTH AND SAFETY**

In order that safety of the driver, passenger and fellow golfers are preserved, the following guidelines must be adhered to comply with the T.G.C Health and Safety policy.

1. Before driving the vehicle, please ensure you are familiar with the operation & controls.
2. Drive courteously and keep to all paths where directed.
3. Take particular care on all **hills** and in the **wet/rain**.
4. At the 6th Tee, follow the signs as directed driving very slowly down the **gravel buggy path**.
5. From the 12th Tee, take the buggy up the 13th Fairway towards the 12th green after checking that the 13th Fairway and Tee are clear from other players and flying golf balls. It is advisable to leave the buggy **above the 12th Green** on the 13th Fairway.
6. When leaving the 14th Tee take a route heading left down over the 2nd fairway after checking that both are clear of players and flying golf balls. **Do not take the steep path** to the right-hand side of the 14th Banking near the woods.
7. After completing the 16TH hole **proceed through the car park** to the 17TH tee.
8. At no time should you drive this vehicle across any hills, always drive up and down slopes wherever feasible to avoid tipping.
9. On completion of round **please connect the blue ended buggy cable under the seat to the socket on the fence** and connect the **Green Triangular cable** to the port on the buggy under the driver's legs. Please empty buggy of all litter and belongings and **return the key** to where you collected it from.
10. Drivers must be **17** years of age or over for insurance purposes.
11. Only **2** persons allowed on the car at any one time and any current social distancing rules will apply.
12. Do not drive over tees, greens, surrounds or ground under repair.
13. The hirer of the buggy is **liable** for any damage caused to the buggy, course or third party, caused by misuse or dangerous driving.
14. Enjoy your round and please drive carefully.
15. **The user is responsible for Sanitising the buggy before and after play, this is in addition to the Daily sanitising carried out by the club staff to prevent cross contamination of Covid 19.**

By order of the Management Committee
